

Resource Label expands California presence with the Acquisition of Teklabel

FRANKLIN, TN – [Resource Label Group, LLC](#) (“Resource Label”), a full-service provider of pressure sensitive label, shrink sleeve and RFID/NFC technology for the packaging industry, today announced it has acquired Milpitas, CA based Tek Label and Printing, Inc. (“Teklabel”) expanding its west coast presence and leading position in the label and packaging industry. Teklabel represents the twentieth acquisition for Resource Label and further expands its regional strength in the western US with seven locations to serve its diverse customer base.

Founded in 2004 by Jim Di Bona and David Hinds, Teklabel has focused on providing exceptional service for customers requiring a full range of digital and flexographic printing capabilities as well as state-of-the-art finishing technology. Their core offerings for its national and regional customers include prime labels and promotional, sustainable, and flexible packaging solutions for the food, wine, personal care, nutraceutical, and medical markets.

Jim Di Bona and David Hinds, founding partners of Teklabel will continue in key leadership roles to drive the business to the next level. Di Bona stated, “Resource Label shares our commitment to ensuring the long-term success of our customers and valued employees. This partnership provides an excellent opportunity to significantly grow the business.” Hinds stated, “Our team has an unsurpassed passion for exceeding customer expectations. We are excited to take full advantage of RLG’s capabilities which will further strengthen our customer relationships.”

Mike Apperson, President and CEO of Resource Label Group, stated, “We are proud to welcome the Teklabel team to the RLG family. Jim and David have built an impressive business and we are honored to have their leadership, experience, and passion for exceeding the needs of customers and employees.”

With 19 locations across North America, Teklabel represents the twentieth acquisition for Resource Label Group.
