

## **Resource Label Group, LLC Acquires Birmingham Based RayPress Corporation**

Resource Label Group, LLC, continues to broaden its portfolio with the recent acquisition of RayPress Corporation, located in Birmingham, Alabama.

“I am honored to welcome the talented team at RayPress Corporation to our growing platform.” said Resource Label Group’s CEO Bob Simko. “RayPress Corporation is widely recognized for its innovative manufacturing processes and exceptional service of their national customer base, with focus on the high end promotional and industrial markets.

RayPress Corporation is a premier pressure sensitive label manufacturer specializing in complex applications including extended content, clean release, instant redeemable coupons and other high end, multi-faceted promotional product labels.
